

THE WAY OF THE PILGRIM SERIES

6 for 6.30 pm at the
CAROLINE CHISHOLM LIBRARY
Level 3 /358 Lonsdale Street Melbourne

Built in the year 1061 after the Blessed Virgin appeared to a local noblewoman in a dream, the shrine was torn down during the Reformation and re-built in the early twentieth century. The quiet country town that houses it has been a site of both religious conflict and profound devotion for centuries.

"When England returns to Walsingham,
Our Lady will return to England" -
Pope Leo XIII

**MONDAY OCTOBER 2ND 2017
THE WALSINGHAM WAY**

A WALKING PILGRIMAGE ACROSS NORFOLK

To all appearances, **Walsingham** is no different from any other out-of-the-way English country town: cobbled streets, whitewashed buildings, no supermarket, and temperamental wi-fi coverage.

Why do Christian pilgrims still come there, as they have for nearly a thousand years?

Why would young Australian don a backpack and hiking boots and travel to the other side of the world to follow in their footsteps?
